It is good to be with all of you again at this tournament. Mixing with y'all in friendly competition on the bowling lanes and in friendly conversation at headquarters is a highlight of every year.

I am happy to say that this year there are just a few proposals for changes to our By-Laws which means that the By-Laws are in very good shape.

Congratulations to the Birmingham Athletic Association of the Deaf for their efforts in preparing this tournament. Best wishes to all Bowlers for good scores and good time with a safe trip home.

"WHAT'LL THE NEIGHBORS SAY?"

"When I told mom I was going to work as a delivery person at Domino's Pizza, I thought she'd hit the roof. 'A pizza delivery girl?' she said. 'My baby? What'll the neighbors say?'"

"But I needed money and I didn't have any experience. Domino's Pizza offered me the chance to earn and learn."

"I delivered awhile, then I became a manager-in-training. You wouldn't believe how much I learned about management, team spirit and pride. I got experience, a good salary and benefits, too."

"And since Domino's Pizza is the fastest-growing pizza delivery company in the world, I realized I could grow, too."

"By the way, when mom found out I got my own store to manage, she said, 'My little girl, a big-time manager. Wait'll the neighbors hear about this.'"
