GREETINGS FROM GOVERNOR TOMBLIN

Welcome to the 66th Men and 49th Women Dixie Deaf Bowling Tournament! I'm proud West Virginia was selected as the tournament's host state this year, and I'd like to formally welcome both residents and visitors to the Mountain State.

Each year, the Dixie Deaf Bowling Tournament offers an outstanding opportunity for members of the deaf and hard of hearing community to come together, work together and showcase your talents and skills. This year's tournament features competitors from thirteen states – and some of West Virginia's very own – and I know it will be a great match.

To all of today's competitors – I commend you on your hard work and months of preparation. During your stay in West Virginia, I hope you will take time and explore all that the Mountain State has to offer.

Again, congratulations on all of your hard work. Best wishes in today's tournament!

Sincerely

Greetings from the Fairmont Association of the Deaf Sports!

It is our pleasure to welcome everyone to our Wild & Wonderful West Virginia!

We won the first bid for 2008 at Charleston, West Virginia which turned out very successful. We won the bid again for 2016 at Clarksburg/Fairmont, West Virginia. It would be other successful one. Without the support from fundraising, bowlers and fans, it would not happen. We want to thank everyone who showed support for our fundraising, bowlers and fans to make our second time a success!

We want to extend thanks to our committee who made this tournament successful with their dedication and hard work!

Let's see in ASL: "STRIKE AND YES" over the weekend!

Dear DDWBA Bowlers and Fans,

Welcome our 49th DDWBA Tournament at Fairmont, West Virginia hosted by the Fairmont Association of the Deaf Sports (FADS).

On the behalf of DDWBA, we wish to thank the Fairmont Association of the Deaf Sports for hosting this great event by Ruby Losh and her committee. Most of all let's not forget Ruby Losh's ardent work and

her committee to make this a successful event. WAVE HANDS!!!

I am sure the FADS have plenty information on what to see around Marion County which is the site of Fairmont. There is historical landmark especially the Prickett's Fort State park. Also don't forget to drive on the Million Dollar Bridge and feel rich! (Robert H. Mollohan-Jefferson Street) also known as the High Level bridge. There are several places to see, ask the FADS for further information and don't forget restaurants!

Let's bowl wild and fun with our friends and enjoy your stay .Which we are sure will be fun as West Virginia is known for its wild and wonderful motto!! Again, Thank you Fairmont Association of the Deaf Sports for this tournament.

Sincerely,

Pauline Laster, Cindy Robillard, Patricia Henderson, Debra Kyle, Jill Haney and Rachel Claytor

© 2016 Sorenson Communications, Inc. All rights reserved. If you choose Sorenson as your default provider, you can port your existing 10-digit number to Sorenson from another provider or Sorenson can provide you with one for the geographic area where you live or work. If you later change your default provider, you can port your number to that provider. When selecting Sorenson, you must provide to Sorenson the physical address (i.e., the Registered Location) from which you are placing the call, so that Sorenson can properly route any 911 calls you may make. If you move or change your location, you must notify Sorenson immediately. You can update your Registered Location from your Sorenson videophone by calling 800-555-4810 or by visiting www.svrs.com/moving. Sorenson will confirm receipt of your Registered Location information. Emergency calls made via internet-based TRS may not function the same as traditional E911 service. For example, you may not be able to dial 911 if there is an internet-service failure or if you lose electrical power, and your 911 call may not be routed correctly if you have not updated your Registered Location. For more information on the process of obtaining 10-digit numbers and the limitations and risks associated with using Sorenson's VRS to place a 911 call, please visit Sorenson's website www.sorenson.com/did/clearnet. For information on toll-free numbering, please visit www.svrs.com/tollfree.
